

**THE MANITOWOC
COMMUNITY SHELL COMMITTEE**

Was organized in 1949 for the purpose of raising sufficient funds to erect a MUCH NEEDED SHELL for the city. This shell may be used for many events such as: Concerts by Singing and Musical Groups, Plays, Speeches, Style Shows, Exercises and many others. The present amount in the "Shell" treasury is \$2938.55. To those who have aided in the past and to those attending this concert, we say "THANKS A MILLION." Your continued support and suggestions will be appreciated.
