## **Manitowoc Symphony Orchestra Fundraiser Features Jazz Vocalist, Erin Boheme performing at The Wharf**

MANITOWOC – Manitowoc Symphony Orchestra (MSO) features jazz vocalist and Oshkosh native, Erin Boheme, performing at The Wharf on August 25

Born and raised in Oshkosh, WI, Jazz singer Erin Boehme is a Midwest girl through and through. Moving to LA when she was seventeen, she signed with Concord Records, releasing two studio albums. Her second album, “What a Life,” was produced by her friend and collaborator Michael Bubl . With her influences like Frank Sinatra to Ella Fitzgerald, Erin’s deep love for the Great American Songbook is reflected in her style and delivery of this classic and beloved music.

“I am so thrilled to be performing, for the very first time, in this beautiful community. Playing alongside of some of my dearest friends and extraordinary musicians, we promise an exciting, dynamic night of the music you know and love.” – Erin

Some of the songs you will hear are “I’m in the Mood for Love,” “Every Time We Say Goodbye,” and “He’s a Tramp.”

Tickets are \$50.00 and includes admission appetizers and dessert. For tickets, visit [manitowocsymphony.org](http://manitowocsymphony.org). Fees and taxes apply.
