Manitowoc's Fourth?

Musicians speak knowingly and lovingly about Brahms' Fourth, Mahler's Second or Beethoven's Ninth. But who will be Manitowoc's Fourth? Fourth Music Director of the Manitowoc Symphony, that is!

The MSO was founded by Karl Miller in 1951. Karl led the orchestra until his retirement in 1986. After a brief stint by Manuel Prestamo, Wayne Wildman became the MSO's third maestro, holding the post for 29 years before retiring in 2019.

The Board of Directors and members of the orchestra are hard at work, finding the perfect musician to be Manitowoc's Fourth. Whoever is picked to lead, you can continue to expect thrilling concerts of the world's finest music when you share in the magic of the MSO!

So bring a little magic into your life with season tickets to the Symphony. When you purchase by September 3rd, we'll reserve a seat for you in the section of your choice and you'll save 10%!

Everyone is invited to learn about the music at our free pre-concert "informances" by Jim Miller. After the show, join the musicians and enjoy refreshments at our post-concert receptions.
